

Through our 2023 Women's Jurisdictional Convention we minister by prayer, music, teaching, training sessions, street witnessing, out-reach, in-reach, the preached Word, and so much more! Also, the Licensed Missionary Candidates will receive their licenses during this Convention! We are promoting initiatives, encouraging our future church, and raising public awareness about some of the most pressing issues facing today's society - all with unity of the sisterhood at the forefront. All of this is at no cost to the attendee. Those desiring to be Card-Supporting Delegates will be able to register in mid-January at www.WSJWomen.org.

I love you with the love of the Lord...be blessed as we move FORWARD,

Mother Gwendolyn Lawson Townsend

Women's Jurisdictional Convention President | Jurisdictional Supervisor
